

Did You Know?

A 2004 study by the Russian Government found that of orphanage graduates; 40% end up in criminal gangs , 40% become alcoholics or drug addicts, a further 10% commit suicide, and a mere 10% live “normal” lives.

Bright Connections will help change these statistics.

What is Bright Connections?

Bright Connections is a nonprofit organization founded to give ordinary people the ability to show Russian orphans the brighter side of life. Our mission is to improve the quality of life and the success rate of Russian orphans while working to expand cultural understanding between Eastern Europe and the United States.

How we Help...

Bright Connections works closely with orphanage staff to understand their needs and brings together Americans and East Europeans to raise money to fulfill these needs. We also plan to establish a mentorship program aimed at preparing the older orphans for life outside the orphanage to give them an opportunity for a successful life.

Life in Kirov, Russia...

Bright Connections is working with orphanages in the Kirov Region of Russia. Kirov borders Siberia, the winters are long and harsh and supplies such as warm coats and blankets help the orphans stay warm and safe through the winter. Bright Connections also strives to bring the orphans art supplies, sports equipment, and toys to allow them to enjoy their childhood just as other children are able to.
